*Traditional music from the
Celtic lands, home and beyond
with
Bob DeMarco & Rachel Clark*

Rachel Clark and Bob DeMarco as Blackbird perform traditional music of Celtic origin and beyond, as well as tunes of their own creation. Fiddle, Irish flute, whistles, accordion, cittern, piano, guitar and voices are combined to serve up a lively musical mix for concerts, special events and farmers' markets. Their albums "Whistle and Sing" and "Good Morning, Good Night" have both received critical acclaim. "Whistle and Sing" was awarded "Traditional Album of the Year" in 2013 by the Barre Times Argus/Rutland Herald.

Bob's mom came originally from County Limerick, Ireland and inspired his love for Celtic music. When he was a boy, she frequently sang in Gaelic and loved to play the fiddle and piano. Bob plays the fiddle, guitar, bouzouki and piano.
